

*Equipping Today's Missionaries to
Reach Today's World*

The Sherman Saga

**Youth With A
Mission**

Seattle, here we come!

Once again we've hit our home town to reconnect with family and friends. We're excited to see you again.

The last 3 years have been full of personal family drama as well as ministry adventures:

- 1) Discovery and treatment of hepatitis C for Ed
- 2) Major operation for Chris in Belgium
- 3) David starting college
- 4) Terry broadening her area of ministry
- 5) Ed developing more training courses

It will take some time to tell our stories, and we also want to hear yours. We've set the dates for our **Evenings with the Shermans** and would love to catch up over a cup of Dutch coffee and 'gebak'. Look on the back of this letter to find the one nearest you and let the host or us know you'll be there.

Wanted: Mission Partners!

Our major project this fur-
lough is to raise our
monthly support level.
The value of the dollar
alone has cost us **half** of
our monthly support in 5
years time! This will only
continue to be a major is-
sue for us.

We will be approaching peo-
ple individually about this.
If you already know you'd
like to become one of our
mission partners, don't wait
for us to come to you. Give
us a call at 206-878-7440 or
send us an email.

A small, affordable amount
will enable us to continue
equipping people to share
the good news of Jesus all
over the world, through a
variety of ministries. This is
made possible by teaming up
with mission-minded people
like you.
